

AMERICAN ACADEMY OF PSYCHOTHERAPISTS

Invite you to our  
**3<sup>rd</sup> Annual Institute and Conference Salon**  
**In Boulder, Colorado**

Our Salons are a rich opportunity for professionals to come together in the unique 'AAP atmosphere' for discussion that is stimulating and often provocative. With mind and heart we distinctively integrate our personal and professional experience in process. Our informal gatherings on this topic will be held in cities across the country. They are open to all psychotherapists **free** of charge. Refreshments will be served.
